

UK Public Procurement Act

Legislation Objectives & Supplier Benefits

The UK Procurement Act comes into effect on 24 February 2025

With the aim of streamlining and simplifying the existing complex procurement procedures, for both Contracting Authorities (CAs) and Suppliers bidding for work.

PROCUREMENT ACT: KEY OBJECTIVES

Value for Money

Best mix of quality & price across whole contract lifetime.

Acting & Showing Integrity

Prevent fraud, corruption & misinterpretation.

Treating Suppliers the Same

Ensure suppliers compete on equal terms.

Maximizing Public Benefit

Improve economic, environmental & social value.

Sharing Information

Greater transparency of policies, procedures and decisions.

Resolving Conflicts

Assess & address unfair supplier advantages or disadvantages.

Better Regard for SMEs

Consider & reduce barriers to competing.

PROCUREMENT ACT: SUPPLIER BENEFITS

Streamlined Processes

Less complex tender procedures to manage.

Greater Flexibility

Multiple stage tenders designed by CAs for their markets.

Improved Planning

Better informed decision-making for activities & resources.

Improved Insight

More information on CA policies, procedures & decisions.

More Engagement

Better opportunities to build stronger relationships with CAs.

Competitive Advantage

Increased opportunities to demonstrate innovation & value.

Focus on Fairness

Stronger requirements for CAs to assess & resolve conflicts.

Reduced Lock-Out

Frameworks / dynamic markets open to new suppliers.

Stronger Submissions

Rationale to craft more compelling tender responses.

TenderEyes can help you implement these new requirements.
